## HOW TO READ THIS CALENDAR

- ◆ **Registration** shows Tabroom's status at the time of the pull: a due date and time means registration is open until then; *Closed* means the deadline passed; *No open registration* means the host registers schools directly.
- ◆ **On NSDA Campus** is the NSDA's online tournament platform; *Online* tournaments run on the host's own platform. Both can be entered from home.
- ◆ **Entries are listed exactly as Tabroom posts them**, including league scrimmages, speech-only events, middle-school events and international tournaments. Event offerings (Policy, LD, PF, Congress, speech) are on each tournament's Tabroom page.
- ◆ To register, a school or club account on Tabroom.com is required; Scholar Coach handles entries for its students once the family confirms a date.
